UNITED STATES SECURITIES AND EXCHANGE COMMISSION

In the Matter of: : File No. HO-12139-A
:
:
CALEDONIAN GLOBAL FINANCIAL SERVICES :
:
:
:

Natalia Torres de Meneses declares and states as follows:

1. I am 38years old and reside in Rancho Santa Margarita, California.
2. I am a Banking Center Manager currently employed in the Alton Parkway branch of Bank of America. I was formerly the Banking Center Manager of the San Juan Capistrano branch of Bank of America. One of the services that Bank of America provides to its customers is to affix medallion signature guarantee stamps on stock power forms and other legally appropriate documents presented by the customer. Generally, the purpose of a medallion signature guarantee stamp is to guarantee that the person executing the stock power form is who he or she claims to be and to guarantee that that person is the appropriate person to effectuate the transfer of securities.
3. I have been shown copies of ten stock powers in the names of various persons and which purport to bear the medallion signature guarantee stamp of the San Juan Capistrano, California branch of Bank of America, true and correct copies of which are attached hereto.
4. The medallion guarantee stamp on the ten stock powers has the identification numbers of the San Juan Capistrano branch office. However, to my knowledge, no officer or other employee at the San Juan Capistrano branch affixed the medallion signature guarantee stamp onto any of these stock powers. I am certain I did not.

5. Except in one instance, the stock powers do not identify the name of the person whose signature is in the stock power. We have been provided with copies of Goff, Corp. stock certificates that we were told by SEC staff corresponded with the stock powers and provided names of the purported signers of the stock powers. None of the names showing on the corresponding stock certificates are presently customers of the San Juan Capistrano branch. None are persons known to me. As a general rule, the medallion signature guarantee service is only offered to customers of Bank of America

6. An individual named Philip Kueber was a customer of the San Juan Capistrano branch of Bank of America from 2010 to 2013. In that time period, the San Juan Capistrano branch had provided medallion signature guarantee stamps on other documents which appeared to bear Kueber's signature.

I declare under penalty of perjury
that the foregoing is true and correct.
Executed on January 14, 2015.

A handwritten signature in black ink, appearing to read "Natalia", is written over a horizontal line. The signature is stylized with a large, looped initial 'N' and a trailing flourish.
